Follow us to get started!

Take the #GaiaProjectChallenge

April 1st: Research a meatless recipe and share it on social media and try it out with an adult

April 2nd: Pack a Litterless Lunch

April 3rd: Bike or walk to school or to your daily activities

April 4th: Turn all your lights off after 4:00 keeping only necessary ones on

April 5th: Unfollow 2 social media accounts that promote unsustainable products, follow 2 eco-friendly accounts

April 8th: Research how the meat/dairy industry impacts the environment, share with class (ex: poster, poem)

April 9th: Avoid using any single use plastics

April 10th: Go for a walk or bike ride in nature

April 11th: Avoid "Peak Energy Times". Don't run any unnecessary appliances from 7 - 9 am and 5 - 7 pm (laundry, dishwasher, shower etc)

****April 12: Make an eco-friendly reminder on the morning announcements (ex: recycling, turning off lights)**

April 15th: Only eat vegetarian or vegan meals

April 16th: Create zero food waste, only pack what you will eat

April 17th: While walking outside, clean up litter

April 18th: Unplug devices at home and school which are not being used (with permission of teacher and parent)

April 19th: Write a letter to an adult (principal, parent/guardian, local MLA) about a green initiative you want them to support

**** Can be done at any time during contest**
