Plant based recipe challenge

Watch as Jimmy leads a vegan chocolate chip cookie recipe. Our challenge for you is to find a plant-based recipe and try it at home!

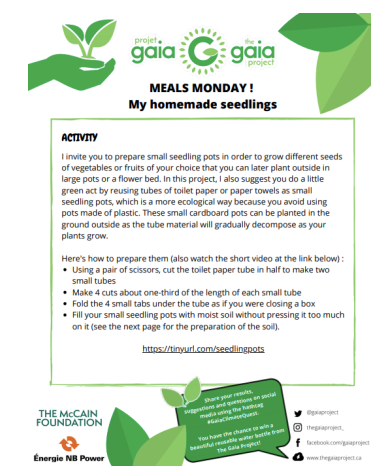

Investigate your plate

Use the drawing and calculation activity to find out just how climate-friendly your meals are!

Read along and start seedlings

Listen as Jimmy reads the book "Grandpa's Garden" by Stella Fry. After, use the activity sheet to learn about home gardening and take climate action in your backyard!

Build a bird feeder

Warming temperatures, shifting seasons, changing precipitation, and rising sea levels are disrupting the behavior of bird species and the ecosystems that support them. Build a bird feeder to support your feathered friends!

Dealing with food waste : compost, broth & regrowth

Let's explore different ways we can reduce food waste by composting, creating broth and regrowing veggie scraps! Use the activity sheet to try and regrow some of your favorite veggies.
